Control Setup & Reset

The following steps must be performed to set up the Radio Motor to function with the Redondo Thumb-Roller controls. Press and hold the Left-Inside Thumb-Roller(**1**) for approximately 15 seconds to reboot the radio into SEL PANEL mode. While holding the Power Button the unit will display the following sequence: **RETROSOUND>RADIO>GOODBYE>TIME DISPLAY>SEL PANEL**, continue holding the thumb-roller until **SEL PANEL** is displayed. Once SEL PANEL is displayed release the Left-Inside Thumb-Roller(**1**) and immediately press and release the Left-Inside Thumb-Roller (**1**) to cycle through the choices until REDONDO appears. The Display will Flash REDONDO 5 times and will turn off. Your Radio Motor is now configured to work with your selected face.

Radio Presets

Setting Radio Presets
To set a preset, tune to the station you want to set the preset to, and then press and hold the desired Preset Button(**5**) for two seconds.

Recalling Radio Presets
To recall a preset, simply press the Preset Button(**5**) your station was set to previously.
